Festivals serve to remind people of their history and distinguish them as a faith community. For Jews, festivals mark the Jewish year and are a time for family, tradition, joy, and reflection.

Partnered Assignment:

Create a poster of famous Jews discussing the holidays and festivals of the Jewish faith. Include pictures of celebrities and “speech bubbles”.

List of holidays/festivals:

1. Rosh Hashanah – Jewish New Year
2. Yom Kippur – Day of Atonement
3. Hanukkah – Festival of Lights
4. Pesach – The Passover
5. Shabbat – The Sabbath
6. Bar and Bat Mitzvah

Example:

I can't wait for Yom Kippur this year. Did you know it is on Friday, September 13th? Yom Kippur is the holiest of days for Jews and is marked by fasting and prayers of repentance. It is also known as Day of Atonement.
